Overview Tour of the Brooklyn Navy Yard

(2 hours)

Awarded "Best Tour of 2012" by *New York Magazine*, this overview tour explores the past, present, and future of the vast 300-acre site and visits some of the Yard's most intriguing places, including an historic dry dock, the 24-acre former Naval Hospital campus that is virtually frozen in time, and innovative green buildings. The tour also includes oral history recordings from WWII-era shipyard workers and stories about people who work in the Yard today.

Public tours by bus offered Saturday & Sunday afternoons. Visit our website for times and to purchase tickets

Private tours offered 7 days a week, subject to availability

Sustainability Tour of the Brooklyn Navy Yard

(2 hours)

Learn about the Brooklyn Navy Yard's sustainable development efforts, including the nation's first multi-story green industrial building, first solar and wind-powered street lamps, New York City's first building-mounted wind turbines, adaptively reused historic structures, urban farming, and more!

Public bicycle tours offered seasonally (bicycle not included)

Private bus tours offered 7 days a week, subject to availability

World War II & the Brooklyn Navy Yard

(2 hours)

During World War II, the Brooklyn Navy Yard built or repaired over 5,000 ships, sent troops and supplies to fronts across the globe, and the tireless efforts of its 70,000 workers earned it the nickname "The Can Do Yard." This tour will examine New York City's role in the war effort, explore connections between the Yard and famous battles of World War II, and visit sites from this era, including the Naval Hospital, the Navy Film Exchange, and a working dry dock.
